## PARENT HANDBOOK

***“Mountainside Preschool – A positive, Christ-centered environment that nurtures the whole child.”***

We are happy you have chosen to send your child to Mountainside Preschool. We believe that this program gives children a great start in getting to know what school is all about in a safe and caring learning environment. Providing experiences in all areas of a child’s development (intellectual, social, physical, emotional and spiritual) gives them many ways to grow.

**Communication is very important. We encourage and expect that parents read the operating procedures in this handbook, the monthly newsletters and lesson plans, emails, Brightwheel posts from your child’s teacher, and any supplemental notes that we may send home.** Also, please check the website for current news and calendars. You can also follow us on Facebook for some updates during the week of the exciting things we are doing. We want you to feel free to be a part of the preschool; offering suggestions and comments. You are always welcome to visit the preschool anytime your child is here.

### **STATEMENT OF FAITH**

God, being three persons in one being, created mankind in His image by making male and female with a task to reflect God into all creation. However, because of sin and disobedience, the powers of sin and death entered God’s good world and separated us from Him. Because of God’s great love for humanity, Jesus came, fully God and fully man, to live perfectly, to die for our sins, and to rise victoriously. In Jesus’ death on the cross, He paid the price for sin so that anyone who repents and believes in Him will be with God forever.

### **1. ADMISSION TO SCHOOL**

Mountainside Preschool enrolls children from age three to five. All children must be 3 and fully potty-trained (no pull-ups) and able to use the toilet with a minimum amount of teacher help by September 1. (Teachers will help with snapping and zipping when necessary and when a child needs help learning how things work in the bathroom at preschool.)

In January, registration for the following school year opens for families of children currently enrolled in Mountainside and for families who attend The Meeting House. In February, registration opens for anyone else in the community who would like to enroll their child. Positions in the classes are filled on a first come, first served basis.

**Notice of Nondiscriminatory Policy** - Mountainside Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, and activities generally accorded or made available to students. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs and athletic and other school-administered programs.

## **2. PRESCHOOL – Monday-Wednesday or Tuesday-Thursday (8:30 am - 11:30 am)**

A child must be three years old by September 1 in order to register for the Preschool Class for that school year and must be fully potty-trained.

## **3. PRE-KINDERGARTEN – Tuesday-Thursday, Tuesday-Thursday-Friday or Monday-Wednesday-Friday (8:30 am - 12:00 noon)**

A child must be 4 or 5 years old. A child may attend the Pre-K program for two years if the parents choose to wait to send their son or daughter to Kindergarten even if they are eligible to attend Kindergarten in their school district or if the parents and teachers determine a child would benefit from two years in the program.

## **4. CHILDREN WITH SPECIAL NEEDS**

If a parent wishes to enroll a child with a diagnosed or undiagnosed special need, Mountainside will need to meet with the parents and the child to determine if the school is able to best serve the needs of the child. If the child is diagnosed, documentation from a doctor or an Early Intervention IEP must be made available to the Director of Mountainside. *(The special needs of the child will be kept confidential. Only those making the decision about enrolling the child will be given information. Parents will be kept informed of the decision-making process.)*

If it is determined that the child could benefit from attending Mountainside, there will be a one calendar month trial period for the child and the staff to see if the preschool is the appropriate place to meet the special needs of the child. After this month, there will be a meeting with parents and teachers of the child and the Director to determine if the school is able to continue to meet the needs of the child along with the needs of the other children in the classroom. *The Mountainside Director and Board will decide if the child can remain enrolled in the program.*

Due to our limited staff, we are unable to handle behaviors such as property destruction, physical aggression, self-injury, eloping and tantrums. We are also unable to accept students who would require one-on-one attention from our teachers or aides as we have limited resources and it would detract from other students learning capabilities.

A parent may not attend school with the child to help with any special needs. It will be determined by the Director if it would be beneficial for the parent to contact their Intermediate Unit or for the parent to get other services that would provide the child with help at Mountainside. *The Mountainside Director and Board will decide if the child can remain enrolled in the program while services are being determined.*

## **5. DISCIPLINE / TERMINATION OF ENROLLMENT**

Mountainside uses a positive approach to discipline. Some examples are:

- Distraction to an alternate activity
- Offering alternative behavior choices
- Reinforcing acceptable behavior with praise
- Maintaining structure and routine
- Arranging the room with lots of choices

When correction is necessary, these steps will be followed:

1. Discussion between the teacher and child
2. A "Thinking Break" (Time Out)
3. Removal from the group with supervision
4. Informal parent conference (either at pick-up time or over the phone)
5. Formal conference with parents, teacher, and Director

Parents will be asked to withdraw their child from Mountainside if any of the following conditions apply:

- A child is in danger of physically hurting himself or others based on an inability of the child to use self-control.
- It is determined that the special needs of a child cannot be met by the teachers and staff of the preschool.

- A parent does not make special arrangements to cover tuition after two months of non-payment of full tuition.

There may be other reasons for termination of enrollment that would be determined by the Mountainside Preschool Board that are not listed here. The Mountainside Preschool Board of Directors reserves the right to terminate the enrollment of any child whose chronic, disruptive behavior or lack of response to discipline interferes with the other children's ability to learn. This will occur at the recommendation of the Director and only with unanimous Board approval.

## **6. HEALTH**

Your child's health is a matter of major importance to us. If your child comes down with a communicable disease (chicken pox, strep throat, pink eye, etc.), please notify the school. If your child will not be in school on a certain day, please let us know by messaging your child's teacher through Brightwheel or by calling or emailing the school.

Please use good judgment before sending your child to school with a cough or a runny nose. We realize this is common during the winter months, but we ask that you **DO NOT SEND YOUR CHILD** when these cold symptoms are severe, or your child has had diarrhea, vomiting or a fever of 100 or more during the last 24 hours. Tylenol may reduce a fever, but your child can still be contagious. Please keep your child home if they have cold symptoms (sore throat, barking or wet cough, green/yellow runny nose), any redness or mucus draining from the eye, an itchy head or any unexplained rash. If your child comes to school and a teacher feels he/she is not well enough to stay, you will be called. If a parent cannot be reached, we will call the emergency number(s) you have given us. **For this reason, it is very important to keep all names and phone numbers of your contact people current.**

No medicines will be given to children by staff at Mountainside with the following exceptions:

- A child with an Epi-Pen that is used for allergic reactions and parents sign written permission for use of the Epi-Pen.
- A child has a medical condition where it is necessary to give medicine in an emergency situation and parents give written permission for staff to administer the medicine as needed.

If a child is hurt and emergency medical care is needed, the staff will call 911 for help and then call the parent immediately following.

If a child is hurt and emergency medical care is not needed, staff will care for the injury and notify parents with a phone call, if necessary, so that a parent can come and determine what is needed. An accident report form will be filled out by the person helping the child and will be sent electronically to the parent.

As teachers, we are obligated by law to report any suspected child abuse. If we see unusual bruises or injuries, we will talk with you about them. Please understand that we are not being judgmental but are only looking out for the welfare of your child.

## **7. SAFETY**

The lobby doors at Mountainside Preschool will be locked at 8:45 am. Parents may buzz in at the office door if they are running late. The inside door at the bottom of the steps, outside doors by the lower drive-through, and door to the playground will be locked at all times. No parents are allowed downstairs without the permission of the Director or unless it is a special party day. To keep a secure and safe sign out process at the end of the day, children will be released to their parent/grandparent/approved pick-up individual at their designated dismissal door. Your child's teacher will release your child after they have been checked out with the Brightwheel app. Anyone picking up your child must be designated on the registration form and have photo I.D. ready to show the teacher. If someone is picking up your child that is not on your registration form, a phone call, email, Brightwheel message or written note must be sent to the office before dismissal.

## **8. TUITION AND PAYMENT POLICY**

A tuition and payment policy has been formulated to provide necessary and regular income. Tuition is based on enrollment (a reserved space) not on attendance.

Tuition for the 3 day Pre-K programs is \$170.00 per month. Tuition for the 2 day Pre-K program is \$140.00 per month. Tuition for the 2 day Preschool programs is \$125.00 per month. **A non-refundable registration fee of \$50.00 plus September's tuition is due when you enroll your child each year. (If you withdraw your child after July 1 of the coming school year, September's tuition is also not refundable.)**

Each child is enrolled for the entire school year (September through May). If you withdraw your child during the school year, no refund is given for the month your child is withdrawn.

**Tuition is due on or before the 5<sup>th</sup> of each month.** If you are paying with checks or cash, please put them in the locked wooden box located in the lobby or take them to the office. (Please place cash payments in a sealed envelope labeled with yours and your child's names on it.)

**Online electronic payments via ACH** may be set up at the beginning of each school year for tuition and Lunch Bunch. A form must be completed at the beginning of each school year. Tuition will automatically be withdrawn on the 5<sup>th</sup> of each month (or the first business day after the 5<sup>th</sup>) **beginning in October and continuing through May of the current school year.** (September's tuition must be paid by cash or check.) **Please do not give your tuition payment to the teachers or put it in a backpack.** [Note: ALL checks for tuition, Scholastic books, fundraisers, field trip fees, etc. should be payable to: Mountainside Preschool and put in the locked wooden box in the lobby.]

**Nonsufficient Funds Fee** – All paper checks or electronic transfers that come back with nonsufficient funds will be assessed a \$35.00 returned check fee.

**Parents are responsible to contact the school if you are having difficulty with keeping your tuition current.** We will be happy to work with you. Families who are consistently late with tuition payments, who have not contacted us, may be charged a late fee. Families who have not paid tuition for two months and have not contacted us to set up a written payment plan, will no longer be allowed to send their child to school until this tuition is paid.

Classes that are cancelled due to bad weather or holidays are not to be deducted from monthly tuition rates. If your child will not be attending school due to vacations or special family trips, please put send us an email to let us know of this absence. **Tuition will not be reduced should you choose to take your child out of school for vacation, etc. during the school year.**

## **9. COMMUNICATION**

We will convey information about how your child is doing as well as activities that go on at school through several modes of communication. We will give a short summary of how your child did that day at pick-up time. We will also communicate pictures, notes, and updates about your child through the secure Brightwheel app. Newsletters, lesson plans and reminders of upcoming events and activities will be sent via email. Our Facebook page will often have pictures and posts about our daily activities. Finally, our website ([www.mountainsidepreschool.com](http://www.mountainsidepreschool.com)) will have details about our events and upcoming activities.

To communicate with us, we ask that you call the office (717-432-2155), use the Brightwheel app, or email us at [mtnsideschool@verizon.net](mailto:mtnsideschool@verizon.net). You may also drop off any forms and tuition in our Mountainside mailbox located on the porch outside of the office when you pick up your child. **Please do not put papers to be returned or notes for your child's teacher in your child's backpack. We do not check backpacks. Backpacks should only contain a change of clothes for accidents.**

## **10. ARRIVAL AND PICK-UP**

Parents are expected to arrive **before** dismissal time to pick up their child. If a parent is late, the parent will be charged \$5.00 for every five minutes they are late in arriving.

The hours for the M-W-F, the T-TH, and the T-TH-F Pre-K programs are **8:30 am to 12:00 noon**. If your child is going to be late or absent, we ask that you notify the school by 8:30 am. Parents are asked to pick up their child at the designated place for their child's class dismissal at **12:00 noon**.

## **11. SCHOOL ATTIRE**

Please dress your child in clothing that is proper for preschool play. Painting and outside play (weather permitting) are daily activities. **All children must wear sneakers or closed toe shoes with socks.** No Crocs, sandals or flip flops are allowed because of possible injury - including splinters. Children will not be allowed to play on the playground if they come to school in these shoes. Please understand that this rule is for your child's safety. Please make sure that all jackets, coats, and backpacks have your child's name on the inside.

**Please have your child bring a bag or backpack each day with a change of clothes packed inside (shirt, pants, underwear, and socks). This will help if any accidents happen including juice spills, etc.**

## **12. PRESCHOOLER OF THE DAY / SNACKS & DRINK**

Several times during the year your child will be the "Preschooler of the Day". On that day, your child should bring 1 or 2 things in his/her backpack to share that day for Show and Tell. Please help your child limit themselves to just 1 or 2 things.

Snacks and water will be provided by the school. We strive to have healthy snacks that can enhance our curriculum. Several times a year parents will be invited to help donate items for our snack time.

## **13. BIRTHDAYS**

You are welcome to bring a special snack and/or a take home treat for your child's class, if you like, on or close to their birthday. Please schedule this in advance of their birthday directly with their teacher. Please do not send cupcakes or anything with frosting.

**WE ARE A NUT-FREE FACILITY. DUE TO THE INCREASED NUMBER OF CHILDREN WHO ARE ALLERGIC TO PEANUTS AND OTHER NUTS, PLEASE DO NOT SEND ANY KIND OF NUTS, PEANUT BUTTER, OR OTHER NUT OR NUT-BUTTER SNACKS. THANK YOU.**

Please be considerate of children's feelings and do not send birthday invitations to be passed out at school unless the whole class is invited.

## **14. TOYS**

It is requested that NO TOYS be brought to school except when your child is "Preschooler of the Day". (See #10) No toy weapons are allowed at the school at any time.

## 15. SPECIAL ACTIVITIES

Various guests visit throughout the year during our group time, and we may take some field trips throughout the year. Parties will be held at various times (Thanksgiving, Christmas, Valentine's Day, etc.). Parents may be asked to help donate food for these events and are always welcome to attend.

## 16. SCHOOL DELAYS & CLOSINGS

In case of inclement weather, please listen to your radio or television for announcements about the **Northern York County School District**. If Northern is closed for inclement weather, Mountainside will *normally* be closed as well. **If Northern has a 2-hour delay, Mountainside will begin ALL classes at 10:30 am and end at 12:30 pm for both Preschool and Pre-Kindergarten.**

**Please** check brightwheel for a message, the Mountainside website, and/or the Facebook page **before** leaving home ([www.mountainsidepreschool.com](http://www.mountainsidepreschool.com)). The website is updated **immediately** after we are notified by Northern School District.

## 17. FUND RAISERS

During the school year we may hold a couple of fundraisers. We do not wish to make these a burden to parents but do use the funds to help update our toys and facilities. Parents **are not required** to participate in any fundraisers. Your participation is entirely your choice.

## 18. PARENT / TEACHER CONFERENCES

Conferences will be held at the beginning of the school year and then on an "as needed" basis throughout the year. If the teacher has a concern about your child's Kindergarten readiness, they will be in contact with you. If you have any questions or concerns about your child during the school day, please do not hesitate to talk with your child's teacher or the Director.
